

Sewing Machines for this class are provided by Viking and OC Sewing Center.

Due to safety concerns and contractual obligations, you are **NOT** permitted to use any machine other than the machines provided by Viking.

The following supply list may state that you need to bring your own sewing machine. **THIS IS NOT CORRECT.** Please do not bring your own sewing machine to this class.

PLEASE CONTINUE TO PAGE 2 FOR THE INSTRUCTOR'S SUPPLY LIST.

Class Supply List

CLASS INFORMATION	
Class name:	Design and Create a Quilted Tile
Description:	Learn to design your own "Celtic" style quilt block and create bias stems using my unique folding and cutting technique. In this 6 hour class you will have time to design 2 blocks and go home with one or more blocks basted and ready to applique in the method of your choice.
Time	6 hour class

SUPPLY LIST

<input type="checkbox"/>	FABRICS:	
	1 yard for the backing for two blocks. You can do one block with just a fat quarter of fabric. For class please choose a light fabric that you will be able to see a bold drawn line through. I will explain methods for pattern transfer onto dark fabrics for future projects. I recommend that you do not use solid fabrics.	
<input type="checkbox"/>	½ yards of 3 to 4 coordinating fabrics for your bias stem elements – I recommend that you do not use solid fabrics – Using a strip for one of your fabric especially fun for this part of the project.	
<input type="checkbox"/>	Fat quarter of 1 to 2 fabrics for the inset piece - I recommend that you do not use solid fabrics. These fabrics should be accent colors to coordinate with the fabrics	

SUPPLIES:

<input type="checkbox"/>	Rotary cutter, 45mm or 60mm size	
<input type="checkbox"/>	Rotary mat: Mat 18" x 24" recommended – please bring your own, no sharing ☺	
<input type="checkbox"/>	Ruler – 6"x24", or 6½" or 8½" wide	
<input type="checkbox"/>	Sewing machine in good working order	
<input type="checkbox"/>	Basic construction thread to match the bias stem elements	
<input type="checkbox"/>	General craft paper or Freezer Paper (you can get this at your grocery store) You will need a piece that is at least 18" square. I will bring some to class if you have trouble finding this.	
<input type="checkbox"/>	Sharpie Marker in 3 or 4 colors – or other bold tip marker in colors that can coordinate as your chosen stem fabrics.	
<input type="checkbox"/>	Sharp small scissors that will cut through at least 4 layers of fabric easily.	
<input type="checkbox"/>	Water soluble, acid free glue stick – the UHU brand is very nice.	
<input type="checkbox"/>	Roxanne Basting Glue	

<input type="checkbox"/>	<p>Seam Guilds from Guildlines4Quilters. I love these things and I don't even know the manufacturer ☺ - these are the perfect tool for making the perfect scant 1/4" seam allowance and for helping create accurate bias stems. For this technique, if you have a 1/4" foot for your machine with the metal guard on the right-hand side it will work too.</p>	 <p>OR</p>
<input type="checkbox"/>	<p>Bias Stem Bars – Collins</p>	
<input type="checkbox"/>	<p>Good quality seam ripper</p>	
<input type="checkbox"/>	<p>Iron – students can share but only 2 students to each iron and flat hard ironing surface.</p>	

This is an example of one I have designed – Students will make their own designs 😊
